CCC - Global Website Workflow

CEO/COO

- Gets overview of who, what and why CCC
- Decides to forward it on to CMIO/CIO

CMIO **CIO**

- Gets summarized information of key features
- Gets summarized information of implementation
- Decides to forward it on to Directors

Director of HIM **Director of HIE**
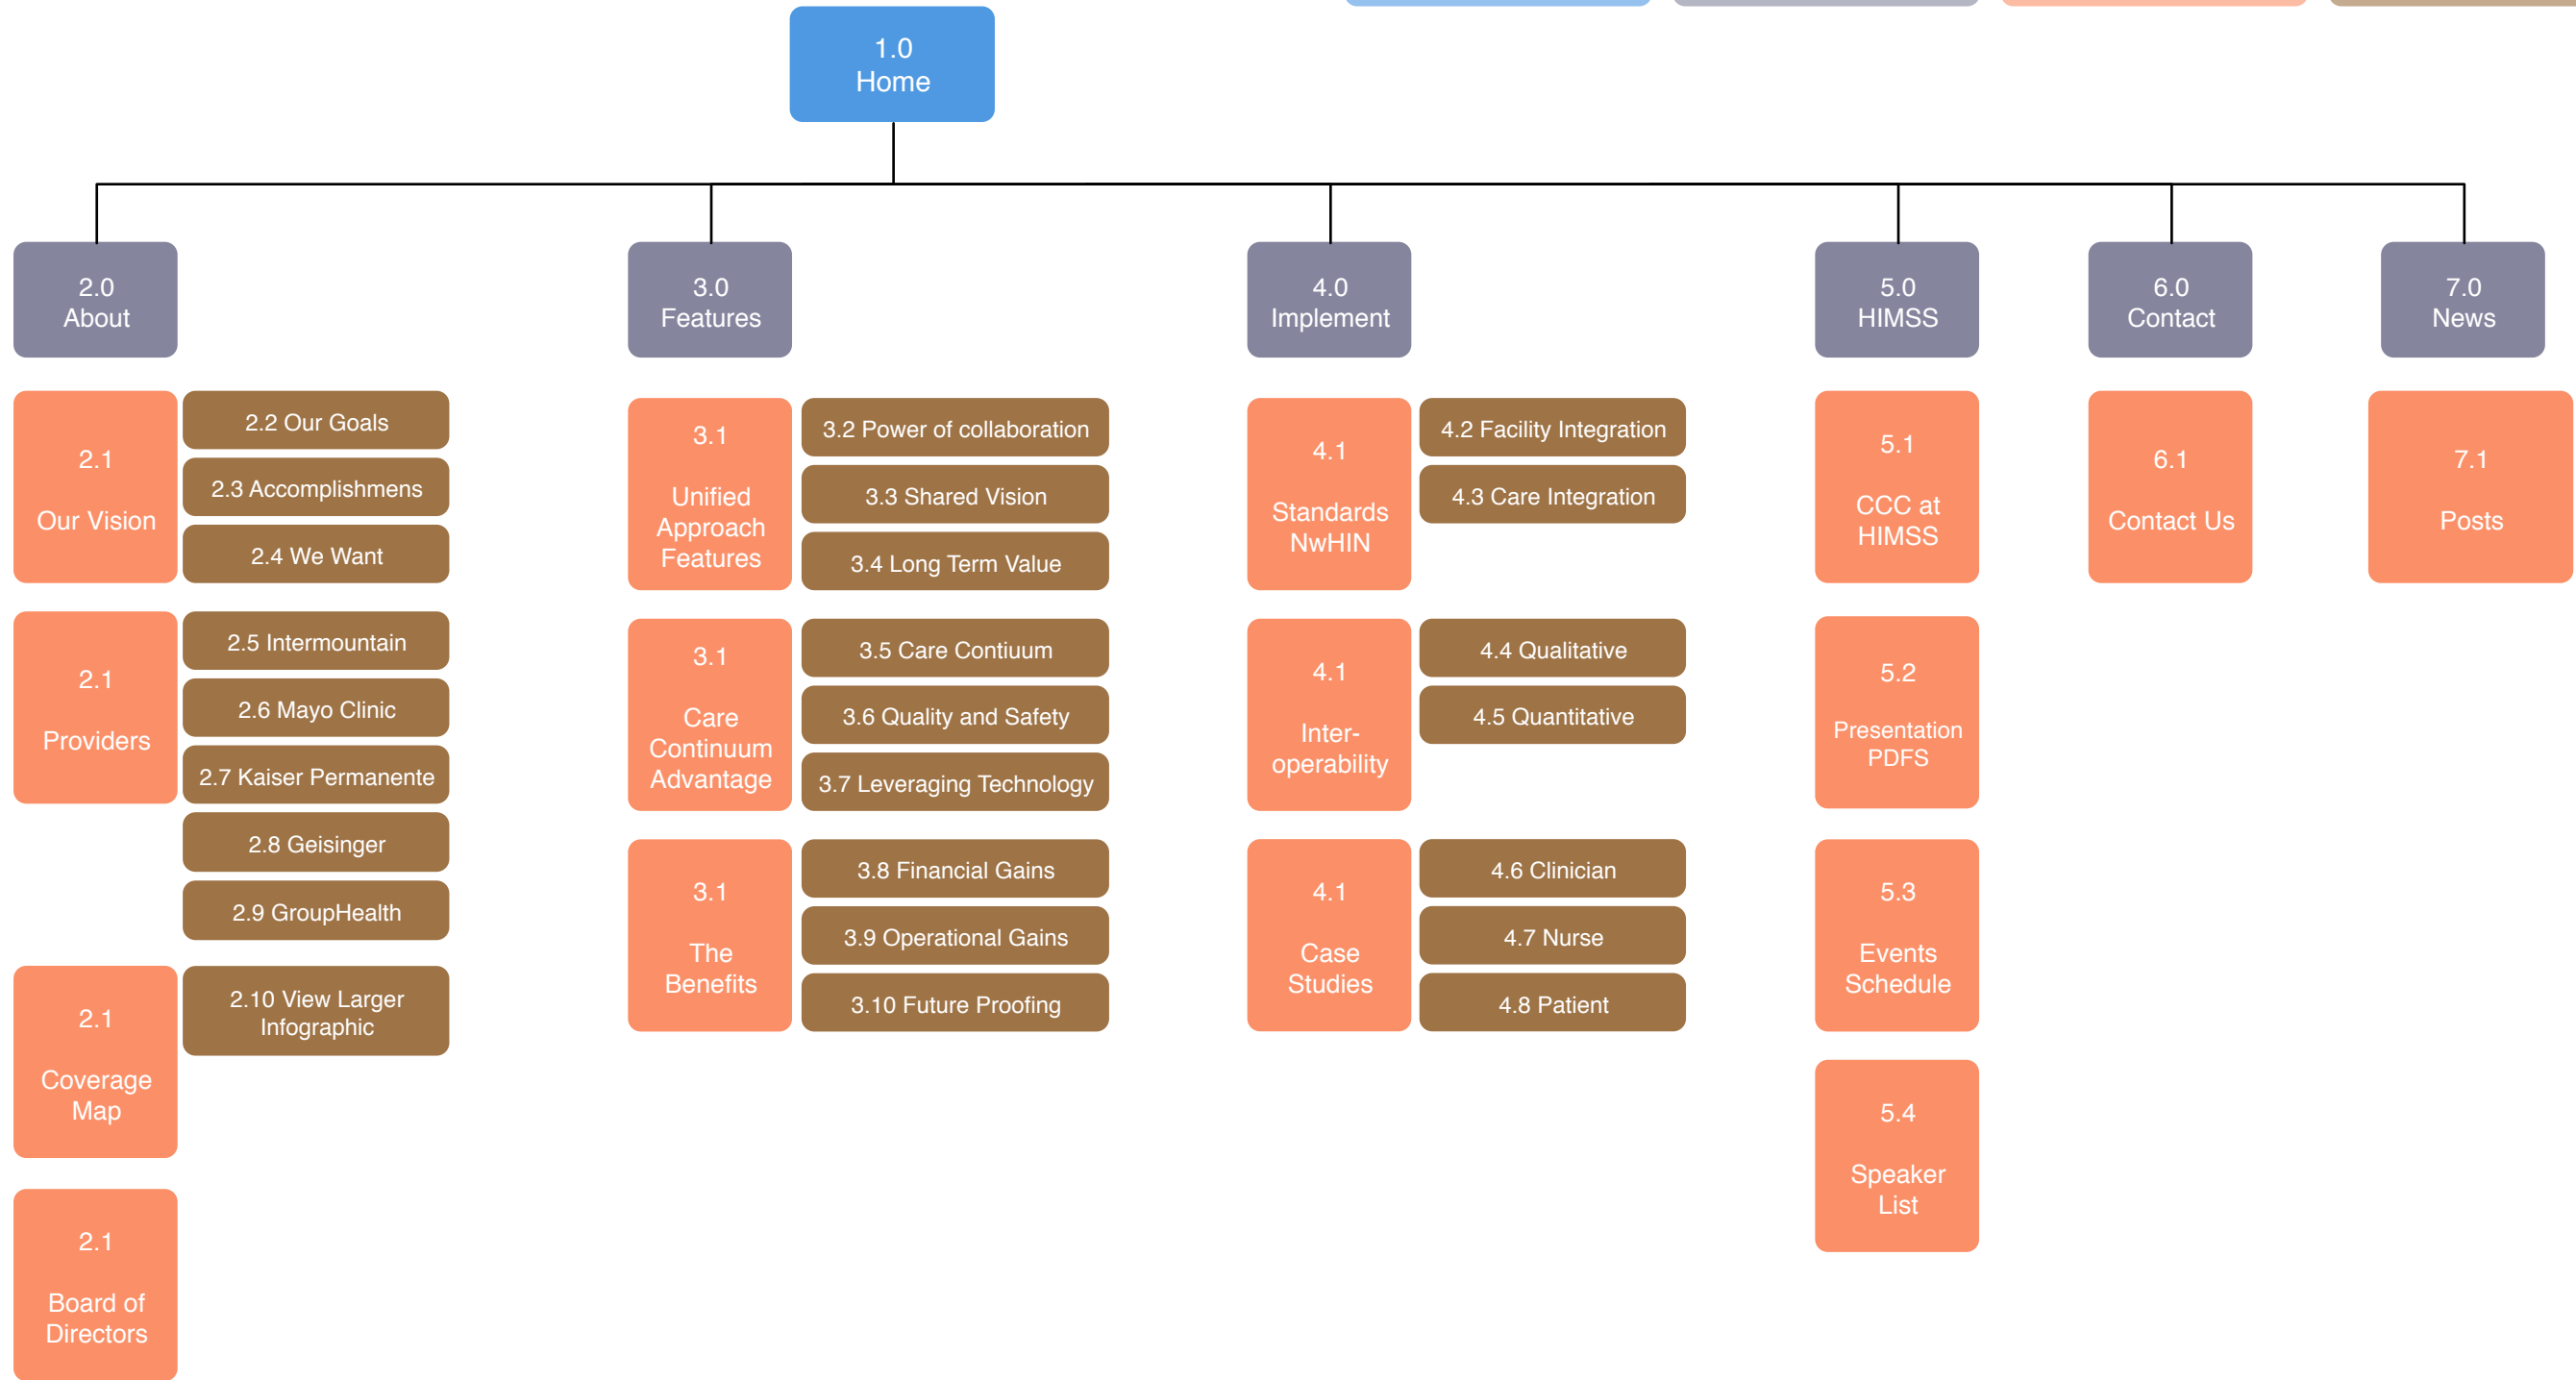

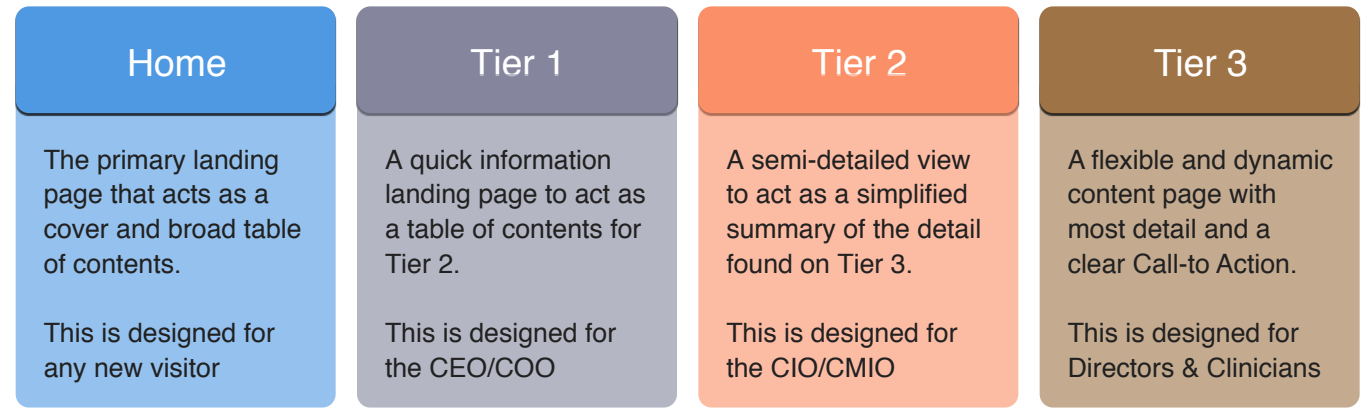

- Gets detailed information of key features
- Gets detailed information of implementation
- Decides to forward it on to colleagues

| User enters home page | Navigates to Tier 1 Simple overview | Navigates to Tier 2 Summarized detail | Navigates to Tier 3 Technical detail | Makes an enquiry |

CCC Site Map

Home

The primary landing page that acts as a cover and broad table of contents.

This is designed for any new visitor

Tier 1

A quick information landing page to act as a table of contents for Tier 2.

This is designed for the CEO/COO

Tier 2

A semi-detailed view to act as a simplified summary of the detail found on Tier 3.

This is designed for the CIO/CMIO

Tier 3

A flexible and dynamic content page with most detail and a clear Call-to Action.

This is designed for Directors & Clinicians
